

DRAFTER'S NOTE
FROM THE
LEGISLATIVE REFERENCE BUREAU

LRBs0301/P1dn

February 4, 2002

ATTN: Thomas Van Ess

The attached substitute amendment reflects changes discussed at our meeting on January 18, 2002, as well as any additional changes necessitated by the changes discussed at the meeting. As you can see from the attached draft, the changes to SB-258 are many. Please review carefully the attached draft to ensure that it is consistent with your intent.

Sections 85.21 (3m) (b) 3. and 346.923 (1) (e) in the attached draft list crimes that disqualify a person from being employed as a human service vehicle operator, without imposing a time limitation as to when the conviction occurred. Is this consistent with your intent?

As discussed at our meeting, sections 85.21 (3m) (b) 2. and 4. and 346.923 (1) (d) and (f) of the draft cross-reference s. 343.12 (2) (d) and (e), stats., instead of specifically identifying the violations included in s. 343.12 (2) (d) and (e) and the DOT rule promulgated thereunder. Because the violations included in s. 343.12 (2) (d) and (e) and the underlying DOT rule duplicate to some extent violations specified in this draft, and s. 343.12 (2) (d) also cross-references to yet other provisions that reference violations included in this draft, I recommend deleting in the draft the cross-references to s. 343.12 (2) (d) and (e) and instead specifically identifying in the draft those violations at issue (in a manner similar to ss. 85.21 (3m) (b) 3. and 346.923 (1) (e) of the draft).
